Lethbridge

<https://doctorjobsalberta.albertahealthservices.ca/jobs/anesthesiologist-crh-1017>

www.chooselethbridge.ca

Compensation is based on a fee for-service model with additional call stipends. Anesthesiology residents are encouraged to book a site visit or schedule an elective. Financial incentives such as paid travel arrangements and assistance with relocation available. All qualified candidates are encouraged to apply via [Doctor Jobs Alberta](https://doctorjobsalberta.albertahealthservices.ca).

Eligible applicants must:

- Be certified or eligible for Royal College of Physicians and Surgeons of Canada certification;
- Be eligible for full licensure with the College of Physicians and Surgeons of Alberta;
- Have completed, or be currently enrolled in an Anesthesiology residency program – preferably in Canada
- A minimum of six months pre & post diploma experience (for IMG Family Medicine - Anesthesia candidates only)

For more information, please contact Physician Recruitment at physician@albertahealthservices.ca.
