

General and Cardiac Anesthesiologists

Southlake Regional Health Centre is seeking both **General Anesthesiologists** and **Cardiac Anesthesiologists, with or without Critical Care training or experience**, to join a department of 32 members.

Southlake is a regional Cardiac and Cancer centre and provides exposure to a wide range of clinical experiences including General Surgery, Obstetrics and Gynecology, Orthopedics, Otolaryngology, Oral Surgery, Plastic Surgery, Urology, Thoracic Surgery, Vascular Surgery, Cardiac Surgery, Electrophysiology, Interventional Cardiology, Endoscopy, and Ophthalmology. The Department of Anesthesia also runs a Preoperative Assessment Clinic and an Acute Pain Service (APS). We serve a diverse and growing population of adult and pediatric patients.

We are supported by Anesthesia Assistants, OR Respiratory Therapists, as well as a dedicated APS nurse. Remuneration is fee-for-service OHIP billing.

Eligible applicants must hold, or be eligible to hold, an Independent Practice License with the CPSO and have certification in Anesthesiology with the Royal College of Physicians and Surgeons of Canada.

Candidates must demonstrate excellent clinical skills, clinical reasoning, and problem-solving capabilities. They must be able to work independently during both daytime assignments and overnight call shifts. Successful applicants must possess strong interpersonal skills and conflict resolution abilities. They must communicate effectively and work well in teams.

Applicants will be asked to make a statement about their knowledge and/or experience with Equity, Diversity, and Inclusion.

To inquire further, please contact:

Dr. Mike Hao
Anesthesiologist
m2hao@southlake.ca

We thank everyone for their interest.
