

Halton Healthcare is an innovative, growing organization with three progressive community hospitals, providing quality health services to more than 350,000 Halton residents. Halton Healthcare is Accredited with Exemplary Standing by Accreditation Canada.

Anesthesiologist - Milton District Hospital

Halton Healthcare is currently seeking **part-time and full-time anesthesiologists** to join our anesthesia group at the Milton District Hospital. Our current facility expanded in October 2017 and offers a brand new surgical suite, obstetrics, emergency department, diagnostics and inpatient units. This provides the unique opportunity to be part of a rapidly expanding, modern surgical program with state-of-the-art surgical suites and a busy labour and delivery service. There is a full complement of FRCSC trained general surgery, orthopedic surgery, urology, plastic surgery, obstetrics and gynecology and otolaryngology specialists. A closed ICU, and advanced diagnostic and interventional radiology are also available. Working in Milton is an ideal environment for individuals looking for diversity and unique challenges in a community hospital setting.

Bring your compassion and expertise to an outstanding team. Our goal is to hire anesthesiologists who will provide exemplary patient care and experiences, and be a great support to their colleagues. Since 2011, Halton Healthcare has been affiliated with McMaster University. The successful applicant will demonstrate a commitment to surgical education at both the undergraduate and postgraduate levels.

Position Details:

- Participation in 1 in 6 on-call schedule
- Candidates must have certification in anesthesia from the Royal College of Physicians and Surgeons of Canada and must be licensed in the Province of Ontario.

Interested individuals should submit inquiries or a covering letter and current curriculum vitae to the attention of:

Dr. Anil Arekapudi, Chief of Anesthesia,
PhysicianRecruitment@haltonhealthcare.com

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to impact analysis and Board approval.
